sanctions the increase proposed

last, and the increase of mileage rates as proposed by the Executive Engineer, was approved by the Board. The excess cost involved, viz., Rs. 4,215/- has been provided against the grants proposed for the roads in question in the current year's Budget Estimates of the Board under " A. P. W. 2 Repairs."

I request that you will be so good as to obtain early sanction Of Government to the Boards' proposal for the enhancement of mileage grants to the three roads.

A copy of the Boards' resolution together with a copy of the Executive Engineer's letter No. 425 dated 17th November 1917 is herewith submitted.

I have the honour to be,

Sir,

Your most obedient servant,

Treasury Assistant Commissioner,

For President, District Board,

Kolar District.

(Absent from Station)

Letter No. 425, dated Kolar, 17th November 1917, from the Executive Engineer, Kolar Division, to the Deputy Commissioner and President, District Board, Kolar District.

With reference to your D.O. No. 91 dated 13th November 1917, requesting to make proposals regarding the increase of allotments for Local Fund Roads for discussion at the District Board meeting on the 19th Instant, I have the honour to state that in this Office No. 36 dated 24-1-1917 submitting copy of this office No. 44 dated 18-1-1917 to the Superintending Engineer, Northern Circle, detailed proposals regarding the increased allotments required for several District Fund roads were given.

If it is not possible to increase the allotments as required in this Office No. 44 dated 18-1-1917 to the Superintending Engineer, the allotments at least for the three roads detailed in the statement accompanying may be given for the present. As per this statement, the total additional allotment comes to Rs. 4215/- and the amount required in addition for the special repairs of these roads is Rs. 5,000/-.

It is essential that these roads should be maintained in a a good condition and if funds for special repairs cannot be provided in ~~the~~ one year, it may be distributed over 2 years at least. To maintain the roads in a fairly good condition, requires an allotment of Rs. 150/- at least if the road be metalled all through.
